

Remarks

Reconsideration and reversal of the rejections expressed in the Office Action of December 11, 2006 are respectfully contended in view of the following remarks and the application as amended. The present invention relates generally to a high strength, one-side ream wrapper. Minor clarifications (as to form) have been made to claim 1, considered allowable in the Office Action.

Claim 2 was rejected under 35 U.S.C. §112, second paragraph. The claim as amended overcomes this rejection.

The Examiner is invited to call the undersigned if any questions arise during the course of reconsideration of this matter.

Respectfully submitted,

Date: May 11, 2007
